Klara,

I am not going to respond to this solicitation. Perhaps you might want to take to ripping sweet Brittany's head off with your middle paw for the infringement?

Maxie

**Subject:** Publishing Opportunity for Your MATH 1552 Course

Professor Schmidt,

My name is Brittanie Tucker, Managing Editor with Kendall Hunt Publishing Company. I hope this e-mail finds you well!

Are you looking for ways to improve learner outcomes while having to work within affordability mandates or convoluted technology tools?

At Kendall Hunt, we help educators create affordable content that has a proven impact on student learning. Over the years, I've helped many educators like yourself create or customize materials that could be fully integrated into the vision they had for their course.

**I am in the process of identifying candidates who would like to build or publish course materials and would like to speak with you about this opportunity.**

If you would be interested in discussing further, I'd love to set-up a time to connect. **Would you be available to chat sometime in the next few weeks?**

Thank you for your time,  
Brittanie

**Brittanie Tucker**
